instance of the love of sister for brother see pp 34, 50 The rowdiness of Sir Toby and his fellow tipplers has already been noted as similar to the Hoby affair (see pp 114-5, etc) References are made to a pension from the Sophy (see p 2 *1* 5), the new map of the Indies, and the chat between Viola and Feste (in i x-₃o) would have reminded this audience of the notorious Fowler case (pp 89-90), and the great controversy concerning equivocation (pp 218-9) Moreover, if Shakespeare had read *New from Qstend)* he might well have drawn inspiration thence for Sebastian's escape from drowning (p 193)

Zth "February CAREW'S 'SURVEY OF CORNWALL* *AR*$_t$ in 201, *S T C ,* 4615 This famous county history of Cornwall has been justly commended by Camden
